Ayesha Noor

SKILLS

Figma, Wireframing, Prototyping, UX Research, Usability Testing, Design Systems

EXPERIENCE

Ayesha Noor has over **3.5 years of experience** as a UI/UX Designer. Currently working at Creative Studio Karachi since 2022, she is responsible for designing end-to-end user interfaces for mobile and web applications. She has led the redesign of multiple SaaS dashboards, improving usability through structured user research and A/B testing. She also builds and maintains scalable design systems in Figma and collaborates closely with frontend teams to ensure design implementation accuracy.

EDUCATION

BS Design – Indus Valley School of Art & Architecture (2018–2022)

CERTIFICATIONS

Google UX Design Professional Certificate
